

GOD'S CREATION VS NASA'S LIES - THE MOON

Romans 3:4 ...'Let God be true, but every man a liar.'

While my main focus is upon Jesus Christ and His righteousness, at the same time I don't want any of us to be deceived by man in anything. Some people will read the title of this page and think, *'Oh here we go! this isn't important.'* But I disagree and I will tell you why. There are two reasons why being open to and seeking the truth of God over man's lies is **very** important. First of all, as we confirmed on our [DEADLY DELUSION COMING](#) page, taken from 2 Thessalonians 2, there is a **strong delusion** coming upon all who **do not** have a love for THE TRUTH. Just think about that for a moment. God told us in 2 Thessalonians 2 that Jesus will not come back until AFTER Satan has worked with *"all power and signs and lying wonders"* (vs.9). A great deception is coming friends, and Satan is going to use ALL he can to deceive, *"if possible, the very elect"* (Matthew 24:24).

Just take that in - Satan is going to use ALL his power with signs and lying wonders to deceive if possible the very elect! That is some deception coming friends!

So can we afford to believe any of man's lies? No. Definitely not. The second reason why this issue about God's creation is important is because we are **warned** in the first angel's message of Revelation 14 to *"worship God who made heaven and earth"* (vs.7). But if we believe man's lies over the Word of God concerning creation, are we not in a way worshipping man instead of God? Also we are told that God's end time saints, the 144,000 are those who *"follow Jesus wheresoever He goeth"* (Rev.14:4). They do not follow man in ANYTHING. So are we going to believe God or man? Let us look at the moon.

Genesis 1:16 ...'And God made two great LIGHTS; the greater light to rule the day, and the lesser LIGHT to rule the night: he made the stars also.'

(Click on the picture to see the bigger image). God told us in Genesis 1 that the moon is a **great light** that '*rules the night*.' But NASA tells us that the moon is a dusty old rock! We are told by man that the moon simply reflects the light of the sun. First of all, have you ever seen a dusty piece of rock reflect brilliant light like the moon does? Secondly, God didn't say He created one great light (the sun) and a rock that reflects the light of the sun. God told us He created **TWO GREAT LIGHTS**. So if we are to take the Word of God as it reads, rather than believing the lies of man, we must accept that the moon is its **OWN LIGHT**. It is a light, not a piece of rock that can be landed on.

Romans 3:4 ...'Let God be true, but every man a liar.'

We are also told by man that the moon is about 238,000 miles away and the sun is 92 MILLION miles away. We are told that the light from the sun travels 92 MILLION miles to the moon and the moon reflects that light another 238,000 miles onto the earth at night, lighting up the clouds and even casting shadows on earth! Do any of us have any common sense left to know that this is utter nonsense? The **TRUE** laws of physics, which God created Himself, tells us that light greatly diminishes over distance. So first of all, can light and heat really travel 92 MILLION miles from the sun to lighten and heat up half the earth? Second, if we are receiving the reflected light of the sun off the moon 238,000 miles away, just think how bright the surface of the moon would be much closer to it, or even standing on it [remember the law of physics, how light greatly diminishes over distance]. And yet looking at the [fake] pictures of 'man on the moon', there is no glow at all. Just dusty rock!

The truth is, both the sun and moon are **MUCH** closer to us than we are told, possibly only a few hundred miles away - And the moon cannot be landed on, as it is a **LIGHT**, not a rock!
Just look with your own eyes!

Next time you have a clear night to see a full or nearly full moon, take a good look. You will even see **DETAILS** on the moon with your own eyes. That is **NOT** possible if the moon was 238,000 miles away, as our eyes would never be able to resolve details at that distance. That is like being able to see something **IN DETAIL** that is 25 times the distance from the UK to Australia! If the moon was 238,000 miles away it would be a speck in the sky. And yet when we look at it, ignoring the lies of man and using our own brains that God gave us, the moon only looks a couple of hundred miles away. **This is reality** vs the made up nonsense of man to do away with our Creator.

Friends, this is all about **BELIEVING** in the **WORD OF GOD** over the lies of man. Satan is using the likes of NASA to **DECEIVE** the world, and who knows if NASA is going to be part of Satan's 'deadly delusion' that is coming. And what is going to happen to those who trust

NASA over God's Word? They are going to be taken in by the delusion. This is why we are doing these pages. We must have a LOVE for the TRUTH, not a love for the lies of man. Error NEVER sanctifies anyone. Only the truth sanctifies as Jesus said in John 17:

*John 17:17 ...'Sanctify them through thy truth: **thy word is truth.**'*

The Word of God says that the moon is a 'great light', but NASA says it is a dusty rock that can be landed on. WHO DO YOU BELIEVE? Paul said in Romans 3 ...'*let God be true, but every man a liar.*' God is true friends and His Word is true, but man is a liar and a deceiver, being led by Satan. It is time to put our trust ONLY in the Word of God, no matter what 'pictures' NASA shows us, as most of them are fake. It is time to follow Jesus, not man. No matter how unpopular a truth is, we MUST be open to it and follow it. This is the final test for God's people.
